Two Year Labor Warranty

We at Material Handling Installation Group are confident that you will be pleased with the quality and workmanship of the labor that you have received in your recent installation. We are so confident that we guarantee our labor on the installation for 2 full years from the date of installation.

This warranty only applies to materials installed by Material Handling Installation Group and its authorized installers (on record at the time of installation) and that is subject to normal use. If the materials are sold, or transferred, warranty may not be assigned to any person or entity other than the original. In the case of modification, dismantling and/ or moving without an authorized installer of Material Handling Installation Group, the warranty will not apply. We are not liable for consequential, incidental, previous damage, or any other forms of damage.

This warranty disclaims all other warranties, expressed or implied, other than specifically set forth herein. Claims on this warranty must be made in writing to Material Handling Installation Group within 2 years of the completion of the materials installation.
